◆ MANDATORY ◆

ALL STUDENTS

COMPLETE AND SEND TO:
Vermont Technical College Health Center
PRIOR TO: August 1st

TO: New Vermont Technical College Students
RE: **Health Form & Immunization Record**

Congratulations on your acceptance to Vermont Technical College! We welcome you to our community.

THE ENCLOSED FORM REQUIRES YOUR IMMEDIATE ATTENTION. ATTENDANCE CANNOT BE PERMITTED UNTIL A COMPLETED HEALTH FORM IS RECEIVED.

Be sure to complete all pages. **The third and fourth pages are to be completed by your Health Care Provider.** Most of the specific questions asked are to fulfill our responsibility to protect the health of the college community. **Please make a copy for your records, submit all information to Vermont Technical College, Health Center, PO Box 500, Randolph Center, VT 05061.**

Due to problems with immunity in many college-age persons, and the close living and learning conditions on campus, outbreaks of measles and other vaccine preventable diseases have become increasingly frequent on college campuses. Serious complications can occur from these diseases, especially measles. If you have difficulty with immunization data, the school that you most recently attended may have this information.

Hepatitis B vaccine is now a State required immunization. Community living and learning on a college campus supports an environment where sharing of illness occurs, including communicable diseases such as **Hepatitis B** and **Meningococcal disease**. First year students living in residence halls are required to have the **Meningococcal** vaccination prior to admission. Others may also want to consider vaccination against meningococcal disease. Please discuss this with your Health Care Provider when you have your physical.

◆ **NOTE:** Since it normally takes some time before you are able to get an appointment, it is suggested that you make an appointment with your Health Care Provider **as soon as possible** for your physical exam. This will eliminate a delay in processing your health form.
